

EXTRA ISO RESOURCES

IRCA and the CQI's reports provide:

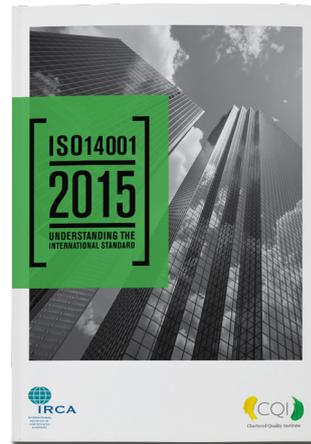

- ▶ Detailed, technical analysis of the requirements so you know what each clause in the new standards means
- ▶ Practical recommendations so you know what changes you do and don't need to make, and how to implement them in your organisation
- ▶ Independent expertise – the CQI and IRCA have been strongly involved with the ISO revisions. These reports are written by leading figures in quality and auditing with many years of experience with standards

Clause by clause evaluation includes:

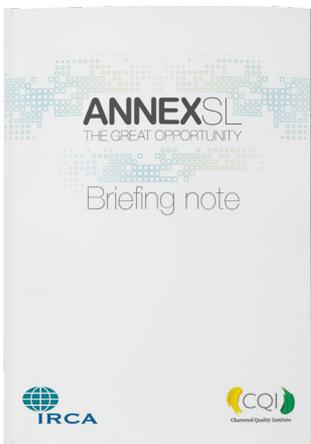

1. Scope
2. Normative references
3. Terms and definitions
4. Context of the organization
5. Leadership
6. Planning for the quality management system
7. Support
8. Operation
9. Performance evaluation
10. Improvement
